

Global Compact Network Nordic Countries

Global Compact Nordic Network, Copenhagen May 6-7, 2010

Dear member of the Global Compact Nordic Network,

The next network meeting is approaching, and as you should all be aware the meeting will take place in **Copenhagen on May 6-7, 2010.**

Agenda

The agenda is still a work in progress, but the overall theme of the two days has been decided:

The sphere of influence of companies – both up- and downstream with a focus on supply chain issues. Furthermore customer- and communication issues will be discussed.

We can confirm that the meeting will be opened by Mr. Mads Øvlisen, Board Member of the UN Global Compact. Other speakers include Mr. Peder Michael Pruzan-Jørgensen, Managing Director EMEA at Business for Social Responsibility (BSR) and Mr. Mallen Baker, Founding Director of Business Respect.

Interactive participation

These inspiring speakers will serve as the basis for interactive discussions, where we emphasize participation as a major part of the meeting. This will enable a chance to reflect on and discuss issues of relevance for your company in a dynamic way.

The agenda will be uploaded to our website (www.gcnordic.net) in due time before the meeting – attached is a preliminary version.

Registration and logistics

The venue of the meeting will be the *Crowne Plaza Copenhagen Towers* (UNGC member), which is a hotel located near the airport and only in 10 minutes from the city center with the metro.
